Diane Ramanathan

The Ins and Outs of Tutela

Diane will give an overview and share some frames of Tutela 3.0, slated to be unveiled soon.

Although Diane Ramanathan describes herself as a community coordinator for Tutela, for many who use Tutela, she is "The Tutela Queen." If the TESL Ontario webinar team has any questions, she has the answers. Diane is responsible for facilitating training and webinars nationally, and is also an online instructor for LINC Home Study and teaches for the TESL Program at Algonquin College. While wearing her various hats, Diane enjoys coming out to various TESL communities to assist in understanding the ins and outs of Tutela.
